I'm gussing that it would take me just under 45 minutes from when I got the phone call to when I could be in the Greenfield courthouse (I'm assuming that I wouldn't have too much trouble finding parking there) as Mapquest states it take 26 minutes to drive there, plus I'd need to change clothes and hopefully not hit too many UMass students on my way off campus.

As for the [REDACTED] JT, no, I never got that summons, but I'll look up my notes on it later today. Just as a heads up, I'm also on call for a Springfield case tomorrow, but I doubt that it will go.

Hi Janine-

If nothing changes, are you going to want me in court at 8:45, or would you rather keep me on call? Thanks.

Hi Jeff-

I'm just curious if there have been any changes in the [REDACTED] trial scheduled for September 15, 2010 that affect me (plea, stipulation, continuance, etc.)? I received another summons for that day from Springfield and want to know what I should tell the ADA for that case. Thanks.
